### SJSU Football Stadium Map

## **TEAMS**

- 1) A team is composed of a minimum of 5 and up to 10 players, there is a limit of 2 teams per chapter (6 field players, as a reminder 1 girl at the field at all times). Arrangements will be made if less than 6 players are playing but the least is 5 per team including a girl!

## **LENGTH OF GAME**

- 2) Games will be 20 minutes long - 10-minute halves with a 5-minute halftime. Forfeit time is 5 minutes after the scheduled game time.
- 3) There will be 2 guaranteed games per team.
- 4) First 2 games will be played on a "pool" format, then brackets thereafter.

## **POINTS**

- 5) A win is worth 3 points.
- 6) A tie is worth 2 points.
- 7) A loss is worth 0 point.
- 8) In the event that two or more teams are equal on points at the conclusion of the pool matches teams will be separated using the following criteria (applied in order):
  - a. The result of the match between the two involved
  - b. Number of matches won
  - c. Goal difference (goals in favor vs. less goals against)
  - d. Toss of a coin with the team travelling the greater distance to compete in the tournament to call on the toss

## **FORFEITS and DEDUCTIONS**

- 1) One point will be deducted from a team's overall score if, after the first five minutes, a team cannot be fielded.
- 2) A team that forfeits two games will automatically be eliminated from the tournament.

## **REFEREE**

- 3) At least one referee will be present at each game.
- 4) The referee has the final word.

## **MISCONDUCT**

- 5) Caution/Dismissal will be used as specific as FIFA and at the discretion of the referee.
- 6) A dismissed player may not be substituted and the team will play short for the remainder of the game.
- 7) A team must have four players to remain in the game or it is over.

## **KICK-OFFS and FREE KICKS**

- 8) Kick-offs will be decided at the beginning of the game by a coin toss with the team winning the toss having the option to kick or select court. If they select to kick first, the loser of the toss will kick-off the second period after changing side.

- 9) Kick-offs, kick-in, and possession kicks are all indirect kicks. For example, kicking the ball direct into the goal cannot score the goal. Another player must touch it first.
- 10) The defending player must be at least 8 feet/2.5m from the ball at the time of restart.
- 11) The ball must be put into play within 5 seconds from the referee's signal. Failure to do so will result in forfeiture of the free kick to the opposing team.

### **EXCEPTION**

- 12) A penalty-kick will be issued from the half court line if a foul is committed within the penalty area.
- 13) During a penalty kick, the ball must be kicked and enter the goal within a 5 second period after the official blows the whistle. If the ball is not kicked and does not enter the goal within this time, the opposing team will gain possession with a kick-off from the mid-court line.

### **BALL OUT OF PLAY**

- 14) A ball is considered out of bounds if it leaves the field of play. The team not responsible for kicking the ball out of bounds will gain possession. A regular throw in will be awarded from the point the ball went out of bounds.
- 15) If the ball is intentionally kicked out of bound on the goal side, there will be corner kicks.

### **GOAL DEFENDING RESTRICTIONS**

- 16) A neutral zone area has been established to restrict any offensive or defensive player from entering the area around the goal.
- 17) If an offensive player enters the neutral zone intentionally, a 1-minute penalty will be assessed and a goal kick will be given to the opposing team.
- 18) If a defense player enters the neutral zone intentionally as a 1 minute penalty will be assessed and an indirect kick will take place from the "top of the key" (penalty area).
- 19) The official calling the game determines intentional and unintentional entrance into the neutral zone.
- 20) All shots on the goal must be taken from outside the neutral zone area.
- 21) There will be NO off-sides on this tournament.

### **PENALTY ZONE VIOLATION**

- 22) A penalty zone has been established in front to the goal to prevent fouls from taking place in the scoring area. If a foul is committed in this area, a penalty kick will be issued.
- 23) The person committing the foul will be penalized the appropriate amount of time for the offense.

### **PENALTY SHOT**

- 24) When a penalty shot is awarded the team receiving the shot will get an opportunity to shoot on an unattended goal from the half court line.
- 25) All players must start behind the half court line and may dribble to attempt the penalty kick. (As mentioned earlier, a penalty kick must be taken and made within 5 seconds after the official blows the whistle).

26) If a goal is made or missed a kick-off from the centerline will be given to the appropriate team.

### **SUBSTITUTIONS**

27) Subs can enter the game at any time throughout the game. If a team is caught with more than 7 players on the court at any time a 1minute penalty will be given to the team committing the foul and that team will resume play with 6 players for a 1 minute period.
